ESTIMATION
REF.MMM.PR.EL.NO. 56109/ NOVEMBER 25, 2024
TO WHOMSOEVER IT MAY CONCERN

Baby. Dhashwanth.A (0.5/M) (UHID.No. 20241121189) S/o Mr. Adithyan G residing at No 12, Sakthi Nagar, 12th Street, Nerkundram,, Chennai -600107, T.N., was evaluated in our hospital and diagnosed to have TOF, Large VSD. He is advised to undergo a **COMPLEX OPEN HEART SURGERY(TOTAL REPAIR OF TOF).**

The approximate expenditure for the above mentioned Surgery in a **General Ward** accommodation will be as follows:

(a) Open heart surgery (complex) (Package upto 8 days -3 ICU + 5 Ward)	:Rs.2,58,000.00
(b) Supplementary charges (approx)	:Rs. 30,000.00
(c) Cost of 3 days extra ICU stay (approx)	:Rs. 90,000.00

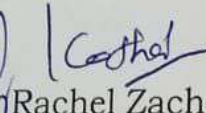

Payment as per the estimate should be paid in full, latest by 4.00 pm on the day of admission.

Charges shown above may vary depending on extra drugs/consumables used, out of package stay, outside tests/professional consultation charges etc. Amount mentioned in the estimation is subject to changes in accordance with tariff change.

The package charge is designed based on the average consumption of various parameters and no refund on the package amount is applicable on any circumstances. Payment mode attached. This is a complex surgery that may involve a prolonged stay in ICU and hospital resulting in the final bill substantially exceeding the estimate given above. Amount mentioned in the estimation is subject to changes in accordance with tariff change.

Patient is posted for the above mentioned surgery on 13.01.2025 (Monday) for which the Patient has to report for admission on 12.01.2025 (Sunday)

Note : During your stay in the hospital, you are allowed to have one attendant to stay with you. However, patients opting for suite room, and children less than 5 years old are allowed to have two attendants. Attendants are advised to vacate the room/ward when the patient is shifted to the operating rooms, intensive care units/coronary care unit. While patient is in ICU, attendants are requested to make their own arrangements to stay outside the hospital premises
